Day Three – Saturday 26 November 2023

7:30 am Visit to Calmsley Hill

Departing from the city our first stop of the day is at Calmsley Hill a working farm home to Kangaroo's, Emu's, Wombat and Koala's. Here we have exclusive early entry to the farm to enjoy our wildlife interaction. Here we have time to enjoy photos with Koala's, feed the kangaroos and wallabies, enjoy Morning tea/coffee refreshments and time to wander at leisure.

Discover the Blue Mountains

The Blue Mountains National Park is one of seven national parks that make up the Greater Blue Mountains World Heritage Area. This wonderland of sandstone outcrops, deep ravines and hazy blue eucalypt forests boasts luxury retreats and stunning views. Today your guide will take you off the beaten track to visit remote lookout locations and discuss the history, flora and fauna of this magnificent region.

This morning we will visit one of a range of stunning outlooks of the Jamison Valley seeing the beautiful vistas. Where possible this will be away from the crowds of tours that visit the mountains each day, thus our guests will enjoy a stress and hurry free environment taking in the views and information imparted by their guide.

Views of the Three Sisters

Continuing we arrive at Eaglehawk Lookout, a remote lookout away from the crowds. Whilst the Blue Mountains features so much more than this natural attraction you can't help but admire the unquestionable beauty of this amazing rock formation. The character of the Three Sisters changes throughout the day and throughout the seasons as the sunlight brings out the magnificent colours. Here your guide will discuss the legends behind this famous rock formation and time to take some great photos

Lunch Stop at Boilerhouse Cafe, Hydro Majestic

The Hydro Majestic is the iconic historical hotel stretching 1.1km along the escarpment edge of the spectacular World Heritage-listed Blue Mountains overlooking the picturesque Megalong Valley. Here in the renovated building of the old power station, with spectacular views, we enjoy a delightful 2 course lunch with tea/coffee per person. Beverages are at own expense and can be purchased on the day.

Govetts Leap & Mt Tomah

Once you clap your eyes on the view from Govetts Leap you'll know why it's one of the most famous lookouts in Australia. The magnificent waterfall drops a whopping 180m to the base of the cliff and here we enjoy a glass of Australian Sparking Wine whilst you marvel at the views. Our last stop is at the delightful Mt Tomah Botanic Gardens to enjoy the sweeping views across to Sydney before arriving back at your hotel approximately 4.30 - 5.00pm.
